SKIRTS TEN INCHES HIGH

Pashion Promutgates New Edict for Devoters Next Full.
CHICAGO, Sept. 8.—Gas embroideries on dark fracks, larg effects for evening wear and strating color combinations with skirs down to 19 tashes from the ground will be characteristic of winter styles for women, according to the Fashion Art League of America. Gewine will be fashioned after the lines of the figure but not form-fitting the league amounted. Sheeves will be fight from shoulder to chow, with a decided flare below. The new styles will be displayed at the amoust on vention of the league next week.

will be displaced at the annual convention of the league next work, when 3,000 buyers are expected to attend the exhibit.

The day of following fashions like a floca of sheep is over. Alla Ripley, president of the league, and "Women in America are women of affairs and one fashions must appeal to the conservative thate contrary to the edit of pack, which demand that costonies be created for the actress and deminored.

Harding Plans Another Trip.
